

FARNHAM | FM8038

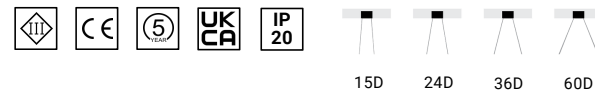

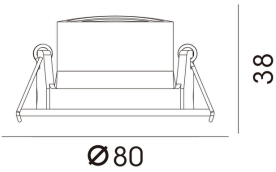

LED Recessed Luminaires

Description

The FARNHAM recessed adjustable downlight series combines smooth directional control with refined optical performance for precise, high-quality illumination. Its sculpted reflector delivers balanced, low-glare light ideal for enhancing architectural features in retail, hospitality, and residential spaces. Designed with a clean recessed form and efficient thermal management, FARNHAM offers dependable performance, accurate beam control, and seamless integration into modern interior ceilings.
