

LUMALINE I LE6535.1

Linear Lighting System

Description

The LUMALINE linear lighting system is designed to deliver balanced, comfortable illumination with a clean and timeless aesthetic. Featuring a slim suspended profile and uniform light output, it provides reliable ambient lighting without visual complexity. LUMALINE focuses on consistency and simplicity, making it an ideal solution for everyday lighting needs across offices, classrooms, retail environments, and hospitality spaces. Its straightforward design and even distribution of light allow it to blend naturally into interiors, supporting the space without competing with the architecture.

Colour

Black/White

TECHNICAL DATA

Light source

Light source: LED SMD
 Output (W): 40W
 Color temperature: 3000K/3500K/4000K/5000K
 CRI: $\geq 80/90$
 Delivered Lumen: 4800lm
 Control : On Off / Dali / 0-10V
 Efficacy: 120lm/W
 Life Time: 50000h
 MacAdam steps: 3
 UGR: <17

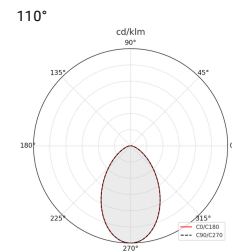

Physical Attributes

TrimType : N/A
 Dimension : L1200xW65xH35mm

Electrical Features

Input Voltage : 100-240VAC
 Driver Type : Remote

Photometric Distribution Curve

Various technical specifications, length, colors, and finishes are available upon request.
