

## SOLORA I SA50040

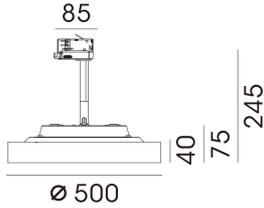

### 3-Phase Track Lighting system

#### Description

Solora is a 3-phase track-mounted LED disc luminaire designed to provide broad, evenly distributed indoor illumination. With its slim circular profile and soft luminous surface, it creates a calm, balanced lighting environment while maintaining a clean architectural appearance. The series is ideal for open retail areas, offices, hospitality spaces, and circulation zones where uniform light output and visual harmony are required.
